

PASCAL LUCK

Managing Director

pluck@core-capital.com

Pascal Luck joined Core Capital in 2000 and focuses primarily on the firm's technology investments in the telecommunications, software, and information technology sectors.

Prior to joining Core, Pascal was Director and Founder of Cross Hill Financial Group, a DC-based private investment banking/M&A advisory firm. Earlier, he was a Senior Manager in the management consultant division of Deloitte and Touche where he specialized in finance and strategy for the telecommunications and information technology industries. He began his career as an engineer with AT&T-IS/Bell Laboratories working on the PBX product line and international telecommunications standards.

Pascal is a Chartered Financial Analyst and holds an M.B.A. in Finance with Distinction from the Wharton School of the University of Pennsylvania, a Masters of Electrical Engineering from the University of Maryland, and a B.S. in Physics and Engineering from Loyola College. He lives in Washington, DC with his wife and two children.

Board Involvement:

Pascal represents Core on the Boards of Directors of BridgeWave Communications, Covega, Inlet Technologies, NextPoint Networks, Triumfant, JackBe, V.i. Labs, and VPI Systems. Previous board affiliations include Sourcefire (NASDAQ: FIRE).

Assistant:

Nancy Almasi
